Journal

For this step in my senior project, my task was to make a liability waiver. I basically copied the outline of a previous homerun derby that is held in Pennsylvania that I have been to. I changed most of the things around and made it more relatable to my project.

A problem I came into with my project this week was that Mr. Winn, my consultant, would not be able to go to my event. Another student of his is having a P.T. event with navy seals and he signed up to participate. Because we need our consultant to be at our event, I took it upon myself to get a new consultant. I chose Mr. Butler because he is my varsity head coach, and he will already be at my event that day.
